Date: 11/19/2010

To: Five Valley Archery Club Montana Shooting Range Development Grant File

From: Kurt Cunningham, Shooting Range Grant Coordinator

Subject: Amount of Grant

The $28,148 stated in the Montana Shooting Range Development Grant Environmental Assessment and in its Decision Notice for the Five Valley Archery Club project is incorrect. $28,148 is actually the total project amount; therefore, FWP's portion of the project is $14,074.
