

Elk Management Citizen Advisory Group | Agenda

Tuesday, July 26, 2022

1:00 – 5:00 pm MST

<https://fwp.mt.gov/aboutfwp/elk-management-citizen-advisory-group>

Please note all times on the agenda are approximations.

The purpose of the Elk Management Citizen Advisory Group is to forge new relationships among stakeholders and collaboratively develop new and creative ideas and recommendations for issues surrounding elk management in Montana to balance hunter and landowner interests.

Meeting Objectives

1. Review and finalize recommendations to balance hunter and landowner interests and forge new relationships among stakeholders
2. Develop an understanding of the public perception of elk management in Montana
3. Identify closeout actions for the Elk Management Citizen Advisory Group
