Appendix B. Sampling of comments that were mixed on electrifying and paving of Salmon Lake State Park campground.

Comments:

Paving is a good IDea

Power not so much

Paving would be good

Reserve judgement on elec. 7/26/09

Comments:

No pavement campgrounds

Yes on electricity / no generators

- Hook ups would Be good
- Paveing camp site would Be Bad it would Feel like Campin in a parking lot.

Comments:

Paving the roads is a good idea.
I don't really see the need for power at the camp sites
