ALS - Automated Licensing System

- Montana hunting, fishing and other recreational licenses are issued via an automated licensing system (ALS).
- Once you acquire a license through ALS, you will be assigned a lifetime “ALS number”. The ALS number is your birth date plus a random number issued by the automated system. Your ALS number will printed at the top of your license.
- If you do not have an ALS number, you MUST provide your date-of-birth and the last 4 digits of your social security number.
- Montana’s license year is March 1 through the end of February of the following year. Even though you may have a lifetime ALS number, EACH YEAR a person must purchase a conservation license to be authorized to purchase any fishing or hunting licenses.

Attention Bowhunters

- To purchase a Bow & Arrow license, all bowhunters must provide a copy of a National Bowhunter Education Foundation (NBEF) certificate OR provide any prior year bowhunting/archery stamp, tag, permit or license from any state or province.
- All bowhunters born after January 1, 1985 must show proof of also completing a Hunter Education program before purchasing any hunting license.
- A bow and arrow license, plus the proper hunting license is required during an Archery Only Season or an Arch-Equip only area or hunting district.

Hunter Education Requirement

- Legislation requires anyone born after January 1, 1985 to provide a copy of his or her Hunter Education Certificate in order to purchase any hunting license in Montana.

Black Bear

- You may hold only one black bear license per year but the license may be used in either Spring or Fall.
- Hunters must take and pass a bear identification test before purchasing a 2012 black bear hunting license. There are two ways to take the test and receive your certification:
  - ONLINE at FWP’s website at fwp.mt.gov and click on Education, then Hunter Education, choose Bear Identification Program OR
  - MAIL IN - Request a mail-in test by calling 406-444-2535.
- License providers will not process the test or return them to FWP.
- If you previously passed the Bear ID test AND purchased a black bear license in Montana, you do not need to submit a bear certificate.

License Purchase Restrictions:

- A Spring black bear license purchased after April 14 is available at any FWP license provider, FWP office or through our Online Licensing at fwp.mt.gov AND may not be used until 5 days after the license is issued.
