

CRP ADD-ON LEASE APPLICATION

To Apply: To determine your eligibility, refer to the *CRP Add-On Lease* Fact Sheet. Submit your signed application and maps to the address located on Page 2 of this form **no later than Friday, April 19, 2024**. Applicants will know their enrollment status by June. Applications must include USDA Farm Service maps that (1) outline the CRP tracts offered and (2) acreage open to public access.

Funding is limited this year and applications will be processed on a "first come--first served" basis. Get your application(s) in soon!

Enrollment will be based on eligibility, priority, and available funding.

1. Your contact information.

Full Name:

Address:

City, State, ZIP:

Telephone:

Email:

Legal name assigned to CRP (if applicable). (Example: Johnson Family Trust; Valley Farms, Inc; Edward Brothers, LLC):

a. **Are you the landowner?** Yes No. Add landowner's name and contact information below:

b. Please indicate if the CRP is located on State Trust Lands or Block Management:

State Trust Lands: Yes No

Block Management: Yes No

c. Do you currently have an active UGBEP CRP lease agreement, including Open Fields? Yes No

2. CRP Offer. The CRP (and any additional acres—see #4 next page) must be legally accessible from a public right-of-way.

Is your CRP offer legally accessible on land you own? Yes No

You may enroll up to **640** CRP acres per application. More than one application may be submitted if properties are uniquely separated by at least 1/4 mile.

Tract #	Year CRP Expires	# CRP Acres	County	Re seeding (Y/N)	Legal description (T, R, S, ¼- Section)

Applicants who are re-seeding in 2024 may qualify for additional bonus payments. Unsure about your re seeding requirement? No problem, just add a note in the Additional Notes section on Page 2.

3. Indicate your NRCS-approved mid-contract management requirements:

Harrowing Burning Haying Grazing Light Disking

a. If known, what years are these management activities planned?

b. Would you be willing to use a beneficial management practice, such as ground disturbance (light disking), to reinvigorate an old CRP stand? There may be additional FWP incentives for performing these practices and willingness to do so may give you a higher ranking score. This practice must be pre-approved by NRCS.

Yes No

4. Access Acres. In addition to the CRP acres listed in #2, you may also include more acres for public access to help create clearly identified boundaries to manage walk-in access. Please draw access boundaries around the CRP and additional acres, if any, on the map(s) you provide. Applicants who offer additional access acres may receive a higher ranking score.

How many additional access acres would you like to enroll?
