Absolutely do not open the Yellowstone River area for waterfowl hunting. It's been a refuge for a long long time and that's what makes hunting in MT so great for waterfowl. I've hunted there before and still do, it's been excellent! I love the state of MT and what they've done to preserve hunting traditions here. I come from WI and we are losing land and hunting abilities every year! Absolutely hate that. Please preserve the tradition in MT and preserve the waterfowl refuge on Yellowstone! It's all the birds got.
