UNLOCKING PUBLIC LANDS

12.2.601 PUBLIC LAND ACCESS TAX CREDIT

(1) Pursuant to [15-30-2380](#) and [87-1-294](#), MCA, landowners may apply for a contract with the department to become eligible to receive a \$750 tax credit for qualified access to public land, as defined in [87-1-294\(9\)\(b\)](#), MCA.

(2) Landowners wanting to be considered for a contract must submit a [complete](#) application [on or before a date set by the department by March 15](#) in the tax year for which credit will be claimed.

~~(3) The department will award contracts no later than May 15 of the tax year in which the credit is to be claimed.~~

~~(3)~~ (4) The application must state the following and failure to include any one portion may result in denial of the application:

(a) legal land description of parcel of public land to which access will be provided;

(b) legal land description of parcel of private land through which access will be provided;

(c) description of the road or travel route providing public access to the public land parcel;

(d) map depicting public land parcel, adjacent private land through which public access will be provided, access point where public access on private land begins, and travel route proposed for public access;

(e) description of method permitted to access public lands;

(f) indication as to whether or not the landowner is lessee of a state land parcel to which public access will be provided; and

(g) indication as to whether or not [outfitting or commercial hunting restricts public opportunities hunting](#) on the private land through which access will be provided ~~is managed through outfitting or commercial hunting~~.

~~(4)~~ (5) The department must consider the following when awarding contracts:

(a) verification that the public lands are not restricted or closed to general recreational use by the land management agency that owns or has legal control of the public land parcel;

(b) verification that the public land will be available for a majority of the year to all general recreational use including hunting, fishing, trapping, hiking, wildlife watching, and other uses compatible with the use of public lands;

(c) access routes restricted to foot travel only:

(i) must be capable of accommodating normal ambulatory travel; and

(ii) must not exceed one linear mile from the beginning to the end of the access route; and

(d) [access routes available to motorized vehicles must be safe and passable during dry conditions for two-wheel drive vehicles](#) ~~access routes available to vehicles must be capable of accommodating typical road use vehicles~~.

~~(5)~~ (6) A landowner may impose reasonable limitations through temporary closure of a public access route to address concerns related to high fire danger, weather-related

impact to travel route, safety, or agricultural production activities such as livestock handling or harvest and planting of crops, so long as:

(a) the landowner notifies department regional headquarters at least 24 hours prior to the closure;

(b) the landowner posts notice to the public on-site; and

(c) the closure:

(i) is in effect for no more than seven days without department review and approval; and

(ii) is removed within 24 hours after the natural environmental conditions no longer exist.

(67) Land enrolled in any other department program that secures public access to a public land parcel is not eligible for a contract through this program to provide access to that same public land parcel.

(78) To provide verification that the landowner is eligible to receive the tax credit pursuant to [15-30-2380](#) and [87-1-294](#), MCA, the department must provide:

(a) a copy of the contract to the landowner bearing a certification number that confirms the terms of the contract have been fulfilled no later than January 31 after the end of the tax year in which the credit is being claimed; and

(b) the contract certification number to the Department of Revenue no later than January 31 after the end of the tax year in which the credit is being claimed.

- (d) access routes restricted to foot travel only:
 - (i) must be capable of accommodating normal ambulatory travel; and
 - (ii) must not exceed one linear mile from the beginning to the end of the access route; and
- (e) access routes available to motorized vehicles must be safe and passable during dry conditions for two-wheel drive vehicles.
- (2) If access to inaccessible public land or under accessible public land can only or most effectively be provided through separate properties owned by different landowners, an agreement may be issued with each landowner provided each landowner holds the lease or permit on the public land or the public land does not have an existing lease or permit.
- (3) Contingent on the annual availability of funds to operate the PALA program, landowners may elect to participate in a PALA for up to 10 years with the agreement being renewed annually.
- (4) Applications must be received ~~by a date set by the department at least 6 weeks prior to the next upcoming PL/PW meeting~~ to allow for time for adequate department ~~and PL/PW~~ review.
- (5) A PALA shall not be construed to support, establish or preclude, limit or diminish any claim for the right to public use.
- (6) The department may not enter a PALA where there is an existing right of public access over the proposed access route. If the department is uncertain whether the proposed access route is public or private, or if a controversy exists over whether the proposed access route is public or private, the department shall present its findings to the PL/PW for its consideration in its recommendation.
- (7) Consideration for PALA enrollment will be given to those sites that are open during commission-established hunting or fishing seasons, or both.
- (8) A PALA may be terminated by the department or the landowner if the terms of the agreement are violated. An agreement may be canceled, and a landowner's property withdrawn from the program at any time due to circumstances beyond the control of the landowner or the department, such as death, illness, natural disaster, or acts of nature. In the event of termination, payment will be reduced and correlated to the time frame and access provided.
- (9) The landowner and the department may deny access to an individual(s) for violation of PALA rules.
- (10) A PALA does not convey to the public any right to hunt or otherwise recreate on the private land through which they can travel to reach public land.
- (11) The department shall maintain and make available to the public a list of current PALA locations and rules.
- (12) With department approval, a landowner may impose reasonable limitations through temporary closure of a PALA to address concerns related to high fire danger, weather-related impact to travel route, safety, or agricultural production activities such as livestock handling or harvest and planting of crops, so long as:
 - (a) the landowner notifies department regional headquarters at least 24 hours prior to the closure;
 - (b) the landowner posts notice to the public on-site; ~~and~~

(c) the closure is removed within 24 hours after the conditions causing the closure no longer to exist; ~~and-~~

~~(d) is in effect for no more than seven days without additional department review and approval.~~
