

Wolf Trapping Season Status

MONTANA FWP

Status as of January 2, 2024

- Wolf Region/Management Unit
- Closed to Hunting
- Wolf Trapping Season: November 27, 2023 - February 15, 2024
- Wolf Trapping Season: January 1, 2024 - February 15, 2024
- Closed to Hunting for Game Animals

Wolf trapping and snaring in Montana Fish, Wildlife & Parks administrative regions 1, 2, 3, 4, and 5, and in Hill, Blaine, and Phillips counties will start Jan. 1 and run through Feb. 15, according to a federal court injunction issued November 21, 2023. In areas in eastern Montana outside FWP administrative regions 1, 2, 3, 4, and 5, and Hill, Blaine, and Phillips counties the order does not apply, and the wolf trapping and snaring season will start November 27 and run through March 15 as described in the 2023 wolf regulations.
