

2020 Elk Shoulder Seasons Master List and Justifications Commission-Revised

Note: During its Dec. 5 meeting the Fish and Wildlife Commission voted to modify some of FWP's original proposals by removing or not implementing shoulder seasons in 18 hunting districts (HDs 390, 391, 411, 417, 419, 445, 447, 502, 510, 520, 575, 511, 530, 540, 560, 570, 580 & 590). The original FWP proposals had been posted on-line before the Dec. 5 meeting. **FWP changes to its original proposals in response to commission direction are highlighted in yellow below.**

Summary of 2020-21 proposals for Montana hunting districts with elk shoulder seasons by population objective status, harvest criteria, change/no-change or removed.

| Above objective, Meet all harvest criteria, Proposed to continue | | Above objective, NOT Meeting all harvest criteria, Proposed to continue | At/below objective, Proposed to continue | | Shoulder seasons being removed |

Montana shoulder seasons proposed in HDs that are above objective, meet all harvest criteria, proposed to continue with no change for the 2020-2021 biennium summary.

| HD | Status Number & % | Current Season | | Proposed Season | | Notes |
|-----|-----------------------|---|------------------------------------|---|-------------------------------------|---|
| | | License Type | Season Dates | License Type | Season Dates | |
| 312 | 701 or 116% Over | Part of 312, 390 & 393 Bundle. 397-00 OTC B Licenses valid in all. General License valid late season | Aug 15 - Sep 6 Dec 2 - Feb 15 | Part of 397-00 OTC B License bundle (309, 311, 312 & 390) valid in all. General License valid late. | Change with calendar rotation | Meets all harvest criteria, proposed to continue. |
| 317 | 514 or 57% Over | 300 317-00 B Licenses. Also valid in 313 N of Dome Mtn WMA | Oct 26 - Feb 15 | No Change | Change with calendar rotation | To address over-objective, distribution and brucellosis concerns. Meets all harvest criteria, proposed to continue. |
| 446 | 1,234 or 130% Over | General plus 004- 00 B Licenses | Aug 15 - Sep 6, Oct 26 - Feb 15 | No Change | Change with calendar rotation | Meets all harvest criteria, proposed to continue. |
| 500 | 210 or 350% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | No Change | Change with calendar rotation | Only 1 year of shoulder season. Meets all harvest criteria, proposed to continue. |

Montana shoulder seasons proposed in HDs that are above objective, meet all harvest criteria, *proposed to continue with adjustment* for the 2020-2021 biennium summary. Proposed changes are in **red.**

| HD | Status Number & % | Current Season | | Proposed Season | | Notes |
|---------|---|-------------------------|-----------------|---|--|---|
| | | License Type | Season Dates | License Type | Season Dates | |
| 210/211 | 451 or 31% Over | 002-00 OTC B License | Aug 15 - Feb 15 | Remove from 002-00 bundle and include in new 210, 211, 212 & 216 bundle with 800 210-03 antlerless permits. A new, larger 211 that includes old W 214. | Aug 15-Nov 29 Remove late SS. Respond as needed to damage on private land after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private lands to avoid or minimize game damage. |
| 212 | 800 or 200% Over, but does not reflect this portion of "old" 212 | 002-00 OTC B License | Aug 15 - Feb 15 | A new, smaller 212 made of old W 212. Remove from 002-00 bundle and include in new 210, 211, 212 & 216 bundle with 800 210-03 antlerless permits. | Aug 15-Nov 29 Remove late SS. Respond as needed to damage on private lands after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private lands to avoid or minimize game damage. |
| 213 | At Objective Proposed 'new' HD 213 is over objective. | 002-00 OTC B License | Aug 15 - Feb 15 | A new, larger 213 with old E 212 + old 213. Remove from 002-00 bundle and replace with 350 213-01 B-Licenses specific to HD 213. | Aug 15-Nov 29 Remove late SS. Respond as needed to damage on private lands after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private lands to avoid or minimize game damage. |

| | | | | | | |
|---------|-------------------|--------------------------------|---------------------------------|---|---|---|
| 215 | 1,250 or 89% Over | 002-00 OTC B License | Aug 15 - Feb 15 | Remove from 002-00 bundle and replace with 400 215-02 B-Licenses specific to HD 215. (Replace antlerless general license general season opportunity with 250 215-01 antlerless permits) | Aug 15-Nov 29 (Not valid S of Browns Gul.) Remove late SS. Respond as needed to damage on private lands after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private lands to avoid or minimize game damage. Decrease hunter congestion on Spotted Dog WMA to improve harvest efficiency there. |
| 261/262 | 157 or 22% Over | 002-00 OTC B License | Aug 15 - Sep 6, Oct 26 - Feb 15 | 1,500 regional 002-00 B Licenses by drawing valid in HDs 201, 260, 261, 262, 270, 285, 290, 292, 298. | Aug 1 - Jan 15 | Focuses harvest on private lands and subdivisions for population control/redistribution. High residential density so harvest must be low frequency and requires an extended season. Meets all harvest criteria, proposed to continue. |
| 290/298 | 265 or 44% Over | 002-00 OTC B License | Aug 15 - Feb 15 | 1,500 regional 002-00 B Licenses by drawing valid in HDs 201, 260, 261, 262, 270, 285, 290, 292, 298. | Aug 15-Jan 15 | Anticipating a similar harvest as in 2018 on relative stable numbers living almost entirely on private land, where continued pressure harvests and redistributes elk over an extended time period with high landowner support. Addresses problematic distribution in 298. |
| 412 | 228 or 76% Over | General plus 004-00 B Licenses | Aug 15 - Sep 6, Oct 21 - Feb 15 | General plus 004-00 B Licenses (during early shoulder and dead week these are only valid on private land). | Change with calendar rotation | Meets all harvest criteria, proposed to continue. |

| | | | | | | |
|---------|---------------------|------------------------------------|------------------------------------|---|--|--|
| 421/423 | 1,61 or 33% Over | General plus 004- 00 B Licenses | Aug 15 - Sep 6, Oct 26 - Feb 15 | General plus 004-00 B Licenses Plus 200 422-00 B Licenses in 422 | Aug 15 - Sep 4, Jan 1 - Feb 15 | Consistent regulations and try to find balance between various perspectives. Begin moving away from full shoulder season while keeping some for harvest needs; allow landowner/hunter rest from the hunting season; allow elk rest to settle them; start hunting again Jan 1 - Feb 15; accommodate some landowners and hunters that don't like shoulder seasons. |
| 449/452 | 607 or 101%Over | General plus 004- 00 B Licenses | Aug 15 - Sep 6, Oct 21 - Feb 15 | A new, larger 452 includes old 449 + old 452 Old 449 goes away No Change | Change with calendar rotation | Consolidates Castle Mtns HDs |

Montana shoulder seasons proposed in HDs that are above objective, NOT meeting all harvest criteria, *proposed to continue with adjustment* for the 2020-2021 biennium summary. Proposed changes are in **red.**

| HD | Status Number & % | Current Season | | Proposed Season | | Notes |
|-----|----------------------|--|------------------------------------|---|---|---|
| | | License Type | Season Dates | License Type | Season Dates | |
| 204 | 451 or 31% Over | 002-00 OTC B License | Aug 15 - Feb 15 | Remove from 002-00 bundle and replace with 500 204-01 B- Licences. | Aug 15- Nov 29 Remove late SS. Respond as needed to damage on private land after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private lands to avoid or minimize game damage. |
| 216 | 800 or 200% Over | 002-00 OTC B License | Aug 15 - Feb 15 | Remove from 002-00 bundle, include in new 210, 211, 212 & 216 bundle with 800 210-03 antlerless permits. | Aug 15- Nov 29 Remove late SS. Respond as needed to damage on private land after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private lands to avoid or minimize game damage as part of the larger block. |
| 410 | 1,377 or 60% Over | 300 410-02 B Licenses Valid only on private and DNRC lands. Not valid on BLM or CMR Refuge. | Sep 7 - Oct 20, Oct 26 - Feb 15 | 1000 410-02 B Licenses Valid only south of Valentine/ Crooked Creek Rds. Not valid on CMR Refuge. | Change with calendar rotation | Additional harvest where highest densities occur, redistribute elk to northern half with more public land, and give landowners more management flexibility, while maintaining hunt quality for 410-00 antlerless elk hunters. |

| | | | | | | |
|-----------------|--|---|------------------------------------|--|--|--|
| 411 | 411/511/530 Complex 6,404 or 801% Over | General plus 004- 00 & 400 411-00 B Licenses | Aug 15 - Sep 6, Oct 21 - Feb 15 | General plus 004-00 & 800 411-00 B Licenses | Change with calendar rotation | Eliminate east-west split. Make regs consistent with 511 & 530 |
| 422/444 | 483 or 97% Over (No stated objective in 444) | General plus 004- 00 B Licenses Plus 200 422-00 B Licenses in 422 | Aug 15 - Sep 6, Oct 26 - Feb 15 | General plus 004-00 B Licenses Plus 200 422-00 B Licenses in 422 | Aug 15 - Sep 4, Jan 1 - Feb 15 | Consistent regulations and try for balance between perspectives. Start away from full shoulder season while keeping some for harvest needs; allow landowner/hunter rest; allow elk rest to settle them/allow them to become more accessible (migratory); start hunting again Jan 1 - Feb 15; accommodate some landowners/hunters/outfitters that don't like shoulder seasons; find balance in numbers/distribution between these same elk in HD 280 (early season) and where they winter in HDs 422/444 (private lands). |
| 620/621/ 622 | 12 or Almost at objective | 500 699-00 B Licenses valid in 620, 621, 622, 630, 631 & 632 off CMR bundle | Dec 15 - Jan 15 | 500 699-00 B Licenses valid in 620, 621, 622, 630 & 631 off CMR. Remove 698-00 antlerless permit and expand 699-00 to archery, general and longer shoulder season. Drop 632 from bundle. | Dec 15- Feb 15 | After discussions with Breaks Elk Working Group, other landowners and sportsmen this spreads pressure across seasons and landscapes, helps reduce a just-over- objective population, and provides more opportunity while reducing an LPT. |

| | | | | | | |
|---------|---------------------|---|-----------------|--|-----------------------|---|
| 630/631 | 282 or 81% Over | 500 699-00 B Licenses valid in 620, 621, 622, 630, 631 & 632 off CMR bundle | Dec 15 - Jan 15 | 500 699-00 B Licenses valid in 620, 621, 622, 630 & 631 off CMR. Remove 698-00 antlerless permit and expand 699-00 to archery, general and longer shoulder season. Drop 632 from bundle. | Dec 15- Feb 15 | See above notes for 620/621/622. Keeps regs consistent with these HDs. |
| 680/690 | 397 or 159% Over | 100 696-00 B Licenses valid in both HDs | Dec 15 - Jan 15 | Combine HDs 680 + 690 into new larger HD 690. 150 690-01 B Licenses in new 690. Remove 690-00 & 696-00 B Licenses and 697-00 antlerless permits. Reduces 6 LPTs to 3. | Dec 1 - Feb 15 | Combine 680 + 690 into new larger 690. Also, general license valid antlerless-only during general but not archery or shoulder (this a big step) . Keep shoulder season on B-license. Vetted with landowners that allow public access. Above combined give landowners many tools. |

Montana shoulder seasons proposed in HDs that are at or below objective and *proposed to continue with no change* for the 2020-2021 biennium summary.

| HD | Status Number & % | Current Season | | Proposed Season | | Notes |
|---------|----------------------|------------------------------------|------------------------------------|-----------------|-------------------------------------|---|
| | | License Type | Season Dates | License Type | Season Dates | |
| 101/109 | 162 or 55% Below | 50 199-00 permits by drawing | Aug 15 - Feb 15 | No Change | No Change | A very limited shoulder season that addresses problematic distribution among many small ownerships. <i>Harvest criteria do not apply.</i> |
| 451 | 65 or 24% Below | General plus 004- 00 B Licenses | Aug 15 - Sep 6, Oct 21 - Feb 15 | No Change | Change with calendar rotation | Elk particularly sensitive to winter weather and hunting pressure. Although numbers likely exceed objective by > 300% during fall seasons, extensive public hunting prior to the shoulder season closure displaced most elk to adjacent HDs during 2017 and 2018. |

Montana shoulder seasons proposed in HDs that are at or below objective and *proposed to continue with adjustment* for the 2020-2021 biennium summary. Proposed changes are in **red.**

| HD | Status Number & % | Current Season | | Proposed Season | | Notes |
|-----|--------------------------------------|--|-----------------|---|--|---|
| | | License Type | Season Dates | License Type | Season Dates | |
| 217 | Almost at Objective 48 or 8% Over | 002-00 OTC B License 200 217-01 B License by drawing | Aug 15 - Feb 15 | Remove from 002-00 bundle and replace with 400 217-02 B-Licenses specific to HD 217. | Aug 15- Nov 29 . Remove late SS. Respond as needed to damage on private lands after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private land to avoid or minimize game damage. Addressing problematic concentrations of elk. |
| 240 | At Objective | 100 240-01 antlerless permits | Dec 2 - Feb 15 | 200 240-01 B Licenses | Nov 30 - Jan 15 | Simplify existing tool for maintaining population at objective and allow late harvest when game damage is widespread and numerous. |
| 291 | At Objective | 002-00 OTC B License | Aug 15 - Feb 15 | Remove from 002-00 bundle. Replace with 350 291-03 B License. | Aug 15- Nov 29 . Remove late SS. Respond as needed to damage on private lands after general season. | Anticipating a similar or higher harvest in 2019 than in 2018 on stable or slowly decreasing numbers, while maintaining pressure on private lands to avoid or minimize game damage. Addressing problematic concentrations of elk. |

| | | | | | | |
|-----|------------------|---|---------------------------------|---|---|---|
| 292 | At Objective | 002-00 OTC B License | Aug 15 - Dec 1 | 1,500 regional 002-00 B Licenses by drawing valid in HDs 201, 260, 261, 262, 270, 285, 290, 292, 298. | Aug 15-Nov 29. | Addresses problematic distribution among many small ownerships. Harvest criteria do not apply. Anticipating similar or higher harvest than 2018 on stable or slowly decreasing numbers, while maintaining pressure to avoid or minimize game damage. |
| 293 | 478 or 56% Below | 002-00 OTC B License valid in S portion | Aug 15 - Feb 15 | 1,500 regional 002-00 B Licenses by drawing only valid in S portion of HD 293. | Aug 15-Nov 29. Remove late SS. Respond as needed to damage on private lands after general season. | Shoulder season addresses problematic distribution. Harvest criteria do not apply. |
| 309 | At Objective | General License & 100 395-00 B Licenses | Dec 2 - Jan 15 | Part of 309, 311, 312 & 390 bundle using 397-00 OTC B Licenses. General License valid late | Aug 15 - Sep 4, Nov 30 - Feb 15 | Greater Bozeman urban area. Consistent with HD 311. To manage exurban elk. Harvest criteria do not apply. Remove 395-00 B License |
| 311 | At Objective | General License 1,000 311-00 B License by drawing | Dec 2 - Feb 15 In north portion | Part of 309, 311, 312 & 390 bundle using 397-00 OTC B Licenses. General License valid late | Aug 15 - Sep 4, Nov 30 - Feb 15 Only in north portion | To address distribution and Brucellosis concerns. Harvest criteria do not apply. Remove 311-00 B License |

Montana shoulder seasons proposed to be removed and/or not implemented as originally proposed (HDs 417 & 419) for the 2020-2021 biennium summary. During its Dec. 5 meeting the Fish & Wildlife Commission voted to modify and/or remove FWP's original proposals. **FWP changes to its original proposals in response to commission direction are highlighted in yellow below.** Proposed changes are in **red**.

| HD | Status Number & % | Current Season | | Proposed Season | | Notes |
|-----|----------------------|--|-----------------------------------|--|-------------------------------|--|
| | | License Type | Season Dates | License Type | Season Dates | |
| 390 | 903 or 100% Over | Part of 312, 390 & 393 Bundle. 397-00 OTC B Licenses valid in all. General License valid late season | Aug 15 - Sep 6, Dec 2 - Feb 15 | 390-00 OTC B Licenses valid in HDs 390 & 391 general rifle to Jan 1. Only valid south of Duck Cr. in HD 391. Not valid on USFS or FWP WMAs. | No Shoulder Season | Criteria not met in 2016 due to weather. 3 of 4 harvest criteria met in 2017 and all met in 2018. A steady decline in observed elk since shoulder seasons. Harvest weather-dependent and elk stay on inaccessible large ranches if it's nice. Shoulder season benefits smaller farms and ranches on the west which bear the brunt of too many elk. Most of those properties allow public access, but unless the weather pushes elk off the larger ranches they don't have much for elk during general season. A lot of elk will show up after the general season if the weather turns. Short season 1st 2 years. |
| 391 | 564 or 58% Over | 400 391-00 B Licenses only valid S of Duck Cr. | Dec 2 - Feb 15 | 390-00 OTC B Licenses valid in HDs 390 & 391 general rifle to Jan 1. Only valid south of Duck Cr. in HD 391. Not valid on USFS or FWP WMAs. | No Shoulder Season | Only 1 year of harvest data. Harvest down due to weather. Short season 1st 2 years. |

| | | | | | | |
|-----|---|--|------------------------------------|---|--|---|
| 393 | 1,538 or 103% Over | Part of 312, 390 & 393 Bundle. 397-00 OTC B Licenses valid in all. General License valid late season | Aug 15 - Sep 6 Dec 2 - Feb 15 | Part of 309, 311, 312, 390 & 393 Bundle. Last week of general season antlerless-only. 397-00 OTC B Licenses only valid during archery and general seasons. | No Shoulder Season 397-00 OTC B Licenses only valid during archery and general. | Apparent loss of public access due to SS. Harvest has gone down and pop up. |
| 411 | 411/511/530 Complex 6,404 or 801% Over | General plus 004-00 & 400 411-00 B Licenses | Aug 15 - Sep 6, Oct 21 - Feb 15 | Part of 5,000 595-00 B License bundle only valid from the end of general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Eliminate east-west split. Make regs consistent with 511 & 530 |
| 417 | 1,595 or 425% Over | No Shoulder Season | | 500 417-01 B Licenses only valid general rifle to Jan 1. | No Shoulder Season. Note: SS was originally proposed | SS originally proposed to provide more opportunistic harvest for landowners bordering a larger "refuge" property and have elk come on their lands later in the season |
| 419 | No stated objective | No Shoulder Season | | 500 419-00 B Licenses only valid general rifle to Jan 1. | No Shoulder Season. Note: SS was originally proposed | SS originally proposed to provide landowners the tool to harvest antlerless elk in winter when elk from over-objective neighboring districts move into the NW portion of this HD. |
| 445 | 1,529 or 61% Over | General plus 004-00 B Licenses | Aug 15 - Sep 6, Oct 26 - Feb 15 | 2,000 445-00 B Licenses only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | FWP & Devil's Kitchen Working Group working on elk management. Meeting bull harvest criteria; increased antlerless harvest by 165% with SS; winter numbers increase due to influx from neighboring HD's |

| | | | | | | |
|--------------|---|--|------------------------------------|---|-------------------------------|--|
| 447 | 1,081 or 155% Over | General plus 004- 00 B Licenses | Aug 15 - Sep 6, Oct 26 - Feb 15 | 500 447-00 B Licenses only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Met obj during archery and general for both cows and bulls. Met all seasons combined obj for cows but missed obj for cows, bulls and calves by 44 elk. Inc cow harvest by 48% w/ SS propose to continue. |
| 502/510 | 104 or 173% Over | General and 005- 00 B Licenses valid in 502 and W 510 | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid in portion of HD 510 east of Hwy 310. | No Shoulder Season | Population beginning to respond b/c shoulder seasons inc harvest of antlerless and ceased pop growth. Very few elk in 510 but ecologically linked to 502. They have one objective and the combined pop is over obj. 510 will become elk refuge w/o shoulder seasons. Short season 1st 2 years. |
| 511 & 530 | 411/511/530 Complex 6,404 or 801% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | HDs 411, 511 & 530 complex well over obj. Total harvest has 2X and antlerless harvest >2X with shoulder season. Short season only went to 1/15 first 2 years. Adjustments to bring regulation consistency to all 3 HDs and increase opportunity. Overall landowners are supportive of shoulder season and opportunity it provides. |
| 520 | 197 or 19% Over | General and 005- 00 B Licenses valid in W portion | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Population beginning to respond b/c shoulder seasons inc harvest of antlerless and stopped pop growth. Short season 1st 2 years. |

| | | | | | | |
|-----|-----------------------|-----------------------------------|-----------------|--|---------------------------|---|
| 540 | 1,315 or 219% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Harvest has inc slightly, significant decrease in damage complaints and work load until Feb 15th. Damage complaints last year after Feb. 15th, including kill permits. Short season 1st 2 years. |
| 560 | 1,172 or 167% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS or south of Falls Creek. | No Shoulder Season | Population beginning to respond with shoulder seasons and inc antlerless harvest. Problematic herds move around. SS allows management flexibility with opportunity when herds are huntable. Very high landowners support for seasons. Short season 1st 2 years. |
| 570 | 298 or 298% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Population declining due to shoulder seasons. Within 2 elk of harvest criteria, which is within the error of the estimation methods. |
| 575 | 923 or 410% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Population responding b/c shoulder seasons inc harvest of antlerless and ceased pop growth. Short seasons 1st 2 years. |
| 580 | 3,195 or 328% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Pop beginning to respond due to shoulder seasons. High landowner support to continue shoulder seasons. |

|-----|--------------------|---|-----------------|--|-------------------------------|--|
| 590 | 943 or 90% Over | General and 005- 00 B Licenses | Aug 15 - Feb 15 | Part of 5,000 595-00 B License bundle only valid general rifle to Jan 1. Not valid on USFS. | No Shoulder Season | Well over obj, Population beginning to respond with shoulder season due to increased antlerless harvest. |
| 632 | | No general license opportunity. Part of 620, 621, 622, 630, 631 & 632 bundle of 500 699-00 B Licenses. | Dec 15 - Jan 15 | Drop 632 from bundle | No Shoulder Season | Hunters, the Breaks Elk Working Group and landowners speak to the lack of cow elk and surveys confirm. Few cows harvested during general season (<10/year) and will be less with only 10 632-00 B licenses. Cow harvest in shoulder season is ~0 because few elk and most security habitat is in CMR |
