

FISH and WILDLIFE COMMISSION AGENDA ITEM COVER SHEET

Meeting Date: March 10, 2016

Agenda Item: Establish HD 217 Elk B License (Inadvertently Omitted from Original Regulation Proposal)

Division: Wildlife

Action Needed: Final

Time Needed on Agenda for this Presentation: 5 Min

Background

An important proposal to establish a 217-01 elk B License (quota 200, range 50-500) for the new hunting district 217 to be valid for archery only during the archery-only season and also during the general and a late shoulder season to run until 2/15 was inadvertently left out of the elk master list which the Commission considered in February. These proposed B Licenses are an important part of the management scenario for the new hunting district that has been agreed to with area landowners.

Public Involvement Process & Results

This proposal has been vetted with FWP R2 staff, area sporting groups and area landowners.

Alternatives and Analysis

Proposals may be adopted as proposed, with adjustment, with additions, with deletions or no change. No change would challenge the supporting justifications behind proposals.

Agency Recommendation & Rationale

FWP recommends the Commission establish the 217-01 B License with a quota of 200 and a quota range of 50 to 500 for 2016 and 2017 Elk Hunting Seasons.

Proposed Motion

I move the Commission establish the 217-01 B License with a quota of 200 and a quota range of 50 to 500 for 2016 and 2017 Elk Hunting Seasons as presented by FWP.
