

FISH & WILDLIFE COMMISSION AGENDA ITEM COVER SHEET

Meeting Date: April 14, 2016

Agenda Item: 2016-17 CSKT Pheasant, Partridge & Waterfowl Hunting Regulations

Division: Wildlife

Action Needed: Endorsement

Time Needed on Agenda for this Presentation: 10 Min

Background

The Confederated Salish and Kootenai Tribes (CSKT) and the State of Montana have entered into a cooperative management agreement on the Flathead Reservation that provides for presentation and approval of Tribal pheasant, gray partridge and waterfowl season frameworks to the F&W Commission. FWP is included in the development of Tribal waterfowl regulations, which are set within federal frameworks in the Pacific Flyway. Tribal recommendations are first presented to the Flathead Reservation Fish and Wildlife Board, which votes on tentative proposals and opens them to general public review and comment. The board then meets for final adoption. Adopted final proposals are then presented to the Confederated Salish and Kootenai Tribal Council. The Montana Fish & Wildlife Commission endorsement is subject to final Tribal Council approval.

The significant differences between these Tribal regulations and current or proposed FWP regulations are:

- Tribal shooting hours are sunrise to sunset for pheasant and gray partridge for the entire season. Waterfowl shooting hours are sunrise to sunset October 1- January 1. During January 2 - January 18 shooting hours are one-half hour before sunrise to sunset, the same as FWP's.
- No hunting with falcons on the Flathead Indian Reservation:
- A requirement that only non-toxic shot be used for all game birds on the Flathead Indian Reservation.

Public Involvement Process & Results
