◆-----◆

### **Background**

Season structures and hunting district boundaries are adopted biennially for all game species. This happens every other year between December and Final adoptions in February. In proposing regulations to the Commission, FWP proposes existing structure except for specific changes. Proposals are based on population status and/or other circumstances.

For the 2012 and 2013 upland game bird structures, the more significant proposed changes include a January 1<sup>st</sup> closure for mountain grouse and expanded general hunting areas for turkey in Regions 1 and 2.

For other proposed changes see Commission Master List for December meeting.

### **Public Involvement Process & Results**

Upland game bird season comments were received during scoping and included season date comments. In addition to public comment at the Dec. 8 Commission meeting, public comment will run thru 5:00 PM Monday Jan. 23, 2012. Any final adoptions will take place at the Feb. 16, 2012 Commission meeting.

### **Alternatives and Analysis**

Proposals may be adopted as proposed, with adjustment, with additions, with deletions or no change from 2011 (status quo). No change would challenge the supporting justifications behind proposals.

### **Agency Recommendation & Rationale**

Rationale for individual proposals have been included in Commission information packets and may be further articulated at the Dec. 8 Commission meeting.

### **Proposed Motion**

I move the Commission adopt the 2012 and 2013 Upland Game Bird Hunting Seasons and Quotas as proposed by FWP.
