- Written permission is required and can be obtained at sign in boxes.

- Hunters must stay on established trails. **Do not block gates and please do not park on county roads. This is to make room for farm equipment moving from field to field.**
- Walk in hunting from designated trails and parking areas.
- Due to fall harvest during the hunting season. Landowners ask that while in the field please do not block roadways, gates, approaches, or any other obstacles for large harvest equipment to pass. **Thank You the Landowners.**
- Permission to hunt valid for only BMA #121. (Redstone, Madoc, and Eagle's Nest BMAs are separate and require separate permission!)

Separate restrictions apply to public lands within or adjoining the boundaries of the BMA. Please, contact your local federal and state agencies for more information.

Please, report any BMA rule violation or any game law violation to your nearest Montana FWP Employee or call 1-800-TIP-MONT.
