

(including worksheets for the supplemental questions, all activities, trapping, hunting without hounds, and hunting with hounds)

Worksheet: Response rates

| <u>Column</u> | <u>Definition</u> |
|-----------------|---|
| License_Holders | Number of furbearer licenses issued |
| Section | Individual portions of the survey: supplemental questions, all activities, trapping, hunting without hounds, or hunting with hounds |
| Question | The question on the survey section: number of trappers, trapper days, etc. |
| Species | Species of furbearer (not in the supplemental question section) |
| Sample_Size | How many were sampled |
| Responses | How many useable responses were returned |
| Response_Rate | Responses divided by sample size |

Worksheet: Supplemental question results

| <u>Column</u> | <u>Definition</u> |
|---------------|---|
| Location | State, trapping district, or county (counties are alphabetical within each trapping district) |
| Decreasing | Proportion of furbearer license holders that have experience in a given area and think bobcat density is decreasing in that area |
| Decreasing.SE | Standard error for the proportion of furbearer license holders that have experience in a given area and think bobcat density is decreasing in that area |
| Stable | Proportion of furbearer license holders that have experience in a given area and think bobcat density is stable in that area |
| Stable.SE | Standard error for the proportion of furbearer license holders that have experience in a given area and think bobcat density is stable in that area |
| Increasing | Proportion of furbearer license holders that have experience in a given area and think bobcat density is increasing in that area |
| Increasing.SE | Standard error for the proportion of furbearer license holders that have experience in a given area and think bobcat density is increasing in that area |

Worksheet: All activity results

| <u>Column</u> | <u>Definition</u> |
|------------------|---|
| Location | State, trapping district, or county (counties are alphabetical within each trapping district and species) |
| Species | Furbearer species, including unknown species |
| Active | Number of license holders that trapped or hunted furbearers (with or without hounds) |
| Active.SE | Standard error for the number of license holders that trapped or hunted (with or without hounds) |
| Activity.days | Number of days spent trapping or hunting furbearers (with or without hounds) |
| Activity.days.SE | Standard error for the number of days spent trapping or hunting furbearers (with or without hounds) |

| | |
|--------------------------------|---|
| Days.per.Trapper | Ratio of the number of activity days to the number of license holders that trapped or hunted furbearers (with or without hounds) |
| Days.per.Trapper.SE | Standard error for the ratio of the number of activity days to the number of license holders that trapped or hunted furbearers (with or without hounds) |
| Total.harvest | Number of furbearers harvested |
| Total.harvest.SE | Standard error for the number of furbearers harvested |
| Mean.harvest | Ratio of the number of furbearers harvested to the number of license holders that trapped or hunted furbearers (with or without hounds) |
| Mean.harvest.SE | Standard error for the ratio of the number of furbearers harvested to the number of license holders that trapped or hunted furbearers (with or without hounds) |
| Successful.trappers | Number of license holders that trapped or hunted furbearers (with or without hounds) and harvested at least one furbearer |
| Successful.trappers.SE | Standard error for the number of license holders that trapped or hunted furbearers (with or without hounds) and harvested at least one furbearer |
| Percent.success | Ratio of the number of license holders that trapped or hunted furbearers (with or without hounds) and harvested at least one furbearer to the total number of license holders that trapped or hunted furbearers (with or without hounds) |
| Percent.success.SE | Standard error for the ratio of the number of license holders that trapped or hunted furbearers (with or without hounds) and harvested at least one furbearer to the total number of license holders that trapped or hunted furbearers (with or without hounds) |
| Percent.composition.harvest | Ratio of the total harvest of a particular species to the total harvest of all furbearer species in given location |
| Percent.composition.harvest.SE | Standard error for the ratio of the total harvest of a particular species to the total harvest of all furbearer species in given location |
| harvest.1.pct | Percent of successful license holders that harvested 1 animal |
| harvest.1.pct.SE | Standard error for the percent of successful license holders that harvested 1 animal |
| harvest.2-3.pct | Percent of successful license holders that harvested 2-3 animals |
| harvest.2-3.pct.SE | Standard error for the percent of successful license holders that harvested 2-3 animals |
| harvest.4-6.pct | Percent of successful license holders that harvested 4-6 animals |
| harvest.4-6.pct.SE | Standard error for the percent of successful license holders that harvested 4-6 animals |
| harvest.7-10.pct | Percent of successful license holders that harvested 7-10 animals |
| harvest.7-10.pct.SE | Standard error for the percent of successful license holders that harvested 7-10 animals |
| harvest.11-15.pct | Percent of successful license holders that harvested 11-15 animals |
| harvest.11-15.pct.SE | Standard error for the percent of successful license holders that harvested 11-15 animals |
| harvest.16-21.pct | Percent of successful license holders that harvested 16-21 animals |
| harvest.16-21.pct.SE | Standard error for the percent of successful license holders that harvested 16-21 animals |
| harvest.22-29.pct | Percent of successful license holders that harvested 22-29 animals |
| harvest.22-29.pct.SE | Standard error for the percent of successful license holders that harvested 22-29 animals |
| harvest.>29.pct | Percent of successful license holders that harvested 30 or more animals |

| | |
|--------------------|--|
| harvest.>29.pct.SE | Standard error for the percent of successful license holders that harvested 30 or more animals |
|--------------------|--|

Worksheet: Trapping results

| Column | Definition |
|--------------------------------|---|
| Location | State, trapping district, or county (counties are alphabetical within each trapping district and species) |
| Species | Furbearer species, including unknown species |
| Active.Trappers | Number of license holders that trapped furbearers |
| Active.Trappers.SE | Standard error for the number of license holders that trapped furbearers |
| Activity.days | Number of days spent trapping furbearers |
| Activity.days.SE | Standard error for the number of days spent trapping furbearers |
| Days.per.Trapper | Ratio of the number of activity days to the number of license holders that trapped furbearers |
| Days.per.Trapper.SE | Standard error for the ratio of the number of activity days to the number of license holders that trapped furbearers |
| Traps.set | Number of traps set |
| Traps.set.SE | Standard error for the number of traps set |
| Traps.per.Trapper | Ratio of the number of traps set to the number of active trappers |
| Traps.per.Trapper.SE | Standard error for the ratio of the number of traps set to the number of active trappers |
| Trap.days | Total number of traps open for the total number of days they were open (one trap day is one trap open for one day) |
| Trap.days.SE | Standard error for the total number of traps open for the total number of days they were open |
| Trapdays.per.Trapper | Ratio of the number of trap days to the number of trappers |
| Trapdays.per.Trapper.SE | Standard error for the ratio of the number of trap days to the number of trappers |
| Total.harvest | Number of furbearers trapped |
| Total.harvest.SE | Standard error for the number of furbearers trapped |
| Mean.harvest | Ratio of the number of furbearers trapped to the number of trappers |
| Mean.harvest.SE | Standard error for the ratio of the number of traps set to the number of active trappers |
| Trapdays.per.harvest | Ratio of the number of trap days to the number of furbearers trapped |
| Trapdays.per.harvest.SE | Standard error for the ratio of the number of trap days to the number of furbearers trapped |
| Successful.trappers | Number of trappers that trapped at least one furbearer |
| Successful.trappers.SE | Standard error for the number of trappers that trapped at least one furbearer |
| Percent.success | Ratio of the number of trappers that trapped at least one furbearer to the total number of trappers |
| Percent.success.SE | Standard error for the ratio of the number of trappers that trapped at least one furbearer to the total number of trappers |
| Percent.composition.harvest | Ratio of the total trapping harvest of a particular species to the total trapping harvest of all furbearer species in given location |
| Percent.composition.harvest.SE | Standard error for the ratio of the total trapping harvest of a particular species to the total trapping harvest of all furbearer species in given location |
| harvest.1.pct | Percent of successful trappers that trapped 1 animal |
| harvest.1.pct.SE | Standard error for the percent of successful trappers that trapped 1 animal |
| harvest.2-3.pct | Percent of successful trappers that trapped 2-3 animals |

| | |
|----------------------|---|
| harvest.2-3.pct.SE | Standard error for the percent of successful trappers that trapped 2-3 animals |
| harvest.4-6.pct | Percent of successful trappers that trapped 4-6 animals |
| harvest.4-6.pct.SE | Standard error for the percent of successful trappers that trapped 4-6 animals |
| harvest.7-10.pct | Percent of successful trappers that trapped 7-10 animals |
| harvest.7-10.pct.SE | Standard error for the percent of successful trappers that trapped 7-10 animals |
| harvest.11-15.pct | Percent of successful trappers that trapped 11-15 animals |
| harvest.11-15.pct.SE | Standard error for the percent of successful trappers that trapped 11-15 animals |
| harvest.16-21.pct | Percent of successful trappers that trapped 16-21 animals |
| harvest.16-21.pct.SE | Standard error for the percent of successful trappers that trapped 16-21 animals |
| harvest.22-29.pct | Percent of successful trappers that trapped 22-29 animals |
| harvest.22-29.pct.SE | Standard error for the percent of successful trappers that trapped 22-29 animals |
| harvest.>29.pct | Percent of successful trappers that trapped 30 or more animals |
| harvest.>29.pct.SE | Standard error for the percent of successful trappers that trapped 30 or more animals |

Worksheet: Hunting without hounds results

| <u>Column</u> | <u>Definition</u> |
|-----------------------|--|
| Location | State, trapping district, or county (counties are alphabetical within each trapping district and species) |
| Species | Furbearer species, including unknown species |
| Active.hunters | Number of license holders that hunted furbearers without hounds |
| Active.hunters.SE | Standard error for the number of license holders that hunted furbearers without hounds |
| Hunter.days | Number of days spent hunting furbearers without hounds |
| Hunter.days.SE | Standard error for the number of days spent hunting furbearers without hounds |
| Days.per.Hunter | Ratio of the number of hunter days (without hounds) to the number of license holders that hunted furbearers without hounds |
| Days.per.Hunter.SE | Standard error for the ratio of the number of hunter days (without hounds) to the number of license holders that hunted furbearers without hounds |
| Total.harvest | Number of furbearers harvested by hunting without hounds |
| Total.harvest.SE | Standard error for the number of furbearers harvested by hunting without hounds |
| Mean.harvest | Ratio of the number of furbearers harvested by hunting without hounds to the number of license holders that hunted furbearers without hounds |
| Mean.harvest.SE | Standard error for the ratio of the number of furbearers harvested by hunting without hounds to the number of license holders that hunted furbearers without hounds |
| Successful.hunters | Number of license holders that hunted furbearers without hounds and harvested at least one furbearer |
| Successful.hunters.SE | Standard error for the number of license holders that hunted furbearers without hounds and harvested at least one furbearer |
| Percent.success | Ratio of the number of license holders that hunted furbearers without hounds and harvested at least one furbearer to the total number of license holders that hunted furbearers without hounds |

| | |
|--------------------------------|---|
| Percent.success.SE | Standard error for the ratio of the number of license holders that hunted furbearers without hounds and harvested at least one furbearer to the total number of license holders that hunted furbearers without hounds |
| Percent.composition.harvest | Ratio of the total harvest of a particular species by hunting with hounds to the total harvest of all furbearer species due to hunting with hounds in given location |
| Percent.composition.harvest.SE | Standard error for the ratio of the total harvest of a particular species by hunting with hounds to the total harvest of all furbearer species due to hunting with hounds in given location |
| harvest.1.pct | Percent of successful hunters (without hounds) that harvested 1 animal |
| harvest.1.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 1 animal |
| harvest.2-3.pct | Percent of successful hunters (without hounds) that harvested 2-3 animals |
| harvest.2-3.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 2-3 animals |
| harvest.4-6.pct | Percent of successful hunters (without hounds) that harvested 4-6 animals |
| harvest.4-6.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 4-6 animals |
| harvest.7-10.pct | Percent of successful hunters (without hounds) that harvested 7-10 animals |
| harvest.7-10.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 7-10 animals |
| harvest.11-15.pct | Percent of successful hunters (without hounds) that harvested 11-15 animals |
| harvest.11-15.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 11-15 animals |
| harvest.16-21.pct | Percent of successful hunters (without hounds) that harvested 16-21 animals |
| harvest.16-21.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 16-21 animals |
| harvest.22-29.pct | Percent of successful hunters (without hounds) that harvested 22-29 animals |
| harvest.22-29.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 22-29 animals |
| harvest.>29.pct | Percent of successful hunters (without hounds) that harvested 30 or more animals |
| harvest.>29.pct.SE | Standard error for the percent of successful hunters (without hounds) that harvested 30 or more animals |

Worksheet: Hunting with hounds results

| <u>Column</u> | <u>Definition</u> |
|--------------------|---|
| Location | State, trapping district, or county (counties are alphabetical within each trapping district and species) |
| Species | Furbearer species, including unknown species |
| Active.hunters | Number of license holders that hunted furbearers with hounds |
| Active.hunters.SE | Standard error for the number of license holders that hunted furbearers with hounds |
| Hunter.days | Number of days spent hunting furbearers with hounds |
| Hunter.days.SE | Standard error for the number of days spent hunting furbearers with hounds |
| Days.per.Hunter | Ratio of the number of hunter days (with hounds) to the number of license holders that hunted furbearers with hounds |
| Days.per.Hunter.SE | Standard error for the ratio of the number of hunter days (with hounds) to the number of license holders that hunted furbearers with hounds |
| Total.harvest | Number of furbearers harvested by hunting with hounds |
| Total.harvest.SE | Standard error for the number of furbearers harvested by hunting with hounds |

| | |
|--------------------------------|---|
| Mean.harvest | Ratio of the number of furbearers harvested by hunting with hounds to the number of license holders that hunted furbearers with hounds |
| Mean.harvest.SE | Standard error for the ratio of the number of furbearers harvested by hunting with hounds to the number of license holders that hunted furbearers with hounds |
| Successful.hunters | Number of license holders that hunted furbearers with hounds and harvested at least one furbearer |
