### THE WEEKLY HAS A NEW LOOK!

---

Based on inquires over the past six months, FWP has made an effort to streamline the wolf weekly. FWP will continue to report significant program developments when they arise and offer easy to access weekly reports on wolf-livestock conflicts, wolf capture and collaring activities, and wolf mortalities.

#### PROGRAM UPDATES:

The challenge to the Congressional rider allowing delisting of wolves continues before the 9<sup>th</sup> Circuit. Oral arguments are scheduled for November 8<sup>th</sup>. On October 14<sup>th</sup> the department filed an amicus brief on the merits of the wolf case. On October 17<sup>th</sup>, the Plaintiffs' filed a motion for preliminary injunction requesting relief (i.e., an end to the wolf hunt) prior to the oral argument scheduled for November 8<sup>th</sup>. The 9<sup>th</sup> Circuit ordered today (October 18) that the request for relief prior to oral argument has been denied and the motion will be considered on November 8<sup>th</sup>. The department will be filing another amicus brief opposing the stay on October 28<sup>th</sup>.
