2013 Running Total <sup>1</sup>			6	4	0	34	0		13

<sup>1</sup>There is often a lag time between activities and reporting due to ongoing investigations. Running tallies are estimates based on known data at the time of 'wolf weekly' publication and may not match final annual report numbers.

<sup>2</sup> Wolves removed in Idaho by WS, as part of a control action in Idaho. Removals count toward the Montana removal authorization but are not included in the running total for Montana removals.
