

2017-2018 ELK SHOULDER SEASONS

(Always check individual hunting district regulations)

Shoulder seasons will take place in 44 hunting districts.

A shoulder season occurs outside the 5-week general firearms season. The seasons focus on antlerless elk harvest on **private land** and are not intended to replace or reduce harvest during the existing general archery and 5-week general firearms season. In order for shoulder seasons to be effective, everyone must work together – FWP, landowners and sportsmen.

Hunters can use their General Elk License, Elk B License or Elk Antlerless Permit obtained through a limited drawing or over-the-counter (OTC), depending on the hunting district.

Application deadline for Antlerless Elk Permits is March 15 and limited B Licenses is June 1. OTC and any surplus B Licenses are available for purchase beginning August 7. Check for availability at fwp.mt.gov.
