INTERN PROGRAM ANNOUNCEMENT

EMPLOYER: Montana Fish, Wildlife & Parks

CONTACT PERSON'S NAME/TITLE: Thomas M. Weaver – Fisheries Research Specialist

ADDRESS: 490 North Meridian Road

CITY: Kalispell

STATE: MT

ZIP: 59901

PHONE: (406) 751-4551

EMAIL ADDRESS: tweaver@mt.gov

DATE OF ANNOUNCEMENT: Friday, January 12, 2018

APPLICATION DEADLINE: Friday, March 2, 2018 (postmarked by 5:00 PM)

****STUDENTS MUST BE CURRENTLY ENROLLED IN A UNIVERSITY/COLLEGE****

POSITION TITLE: Fisheries Intern

OF POSITIONS: 1

LOCATION(S): Kalispell Based – Region 1

WORK START/END DATES: Approx. June 11, 2018 – August 27, 2018

HOURS/WEEK: 40

TRAINING/ORIENTATION DATES: On the job training, which will be completed as various tasks are undertaken.

COMPENSATION (PAY, PER DIEM, HOUSING, VEHICLE, ETC): Hourly wage (\$11.00/ hr) and per diem at State rate. Housing and personal vehicle to be secured by successful applicant.

POSITION DESCRIPTION: Assist regional fisheries staff in completing mountain lake surveys and fish population estimates by netting, angling and electrofishing. Laboratory tasks will include analysis of streambed substrate samples and data entry/summarization using standard software. Additional tasks may be required. Will need flexibility in scheduling; hiking and overnight camping in backcountry situations will occur several times during the field season. Must be able to wade in small – moderate sized streams while at times carrying up to 30 lbs. River angling skills required; specifically, fly fishing skills where catch, tagging and release of fish will be necessary to complete population estimates.

SKILLS, ABILITIES, KNOWLEDGE NEEDED (EDUCATION; UNDERGRAD/GRAD LEVEL, SUGGESTED/REQUIRED MAJORS): Knowledge, skills and abilities to be developed as tasks are completed. Either undergraduate or graduate level, majoring in resource management, environmental studies or closely related fields required.

APPLICATION MATERIALS/PROCEDURES (RESUME, COVER LETTER, REFERENCES, ETC.): Selection based on resume along with cover letter and two references. Please send application materials to the contact person listed above by the specified application deadline date. Materials may be sent electronically or by mail.

COOPERATING SPONSORS OF PROJECT: Montana Fish, Wildlife & Parks, Montana Department of Natural Resources & Conservation and the Bonneville Power Association.

ADDITIONAL INFORMATION: (;HOUSING OF ANY KIND PROVIDED OR POSSIBLY AVAILABLE I.E. TRAILER, FREE CAMP SPOT, BASEMENT APARTMENT, EXTRA SLEEPING ROOM, ETC.): Must be physically fit and willing to hike considerable distances on closed roads, trails and in streams, carrying up to 30 lbs. Weather conditions can be highly variable and schedule must be flexible and subject to change on short notice. Applicant must have a valid driver's license and current insurance if personnel vehicle is driven during the internship. Housing may be possible part time, depending on camper trailer availability. If an out-of-state student's college does not accept our internship contract, the student will be required to take at least one credit at a college in Montana during their internship.
