

Montana Fish, Wildlife & Parks

ADDENDUM NO. 2

TO: ALL BIDDERS OF RECORD

PROJECT: Region 5 Headquarters Re-Roof Project

FWP PROJECT #: 7179103

DATE: February 27, 2018

FROM: Phil Jagoda, P.E., Montana FWP Project Manager

Acknowledge receipt of this addendum by inserting its number and date in the Proposal Form and on the Bid Envelope. Failure to do so may subject bidder to disqualification.

This Addendum forms a part of the Contract Documents. Clarifications as follows, based on questions received during the pre-bid walk-through conducted on 2/23/18:

1. A ridge vent, per specification Section 073113-Part 2.3, is not required to be installed on the open stall garage.
2. Fascia cover shall be installed on the gable ends of the buildings, per specification Section 077100 – Roof Specialties. Color to be selected by Owner, to match existing building colors.
3. New drip edge shall be required on all buildings per specification Section 077100 – Roof Specialties. Drip edge shall be cut around existing rafter tails where required.
4. Bird netting shall be installed per specification Section 073113-Part 2.6, be of width sufficient to replace existing bird netting, and consist of ½" x ½" openings; black in color with ultraviolet inhibitor added. Netting shall be installed in accordance with manufacturer's instructions and be attached to existing wood structures via staples or manufacturer requirements. Bird netting will not be allowed to be stapled (or nailed, etc.) to new shingles.

End of Addendum #2
