Relationship to the Landowner

Landowner's Signature

I have read the requirements for Landowner Preference as listed below and hereby declare that I am an eligible landowner.

For All Landowner Preference: Landowner preference is applied only to the first choice hunting district. Partnerships may delegate landowner preference to a member of the immediate family (blood-related or marriage-related), a partner or an employee who have state, federal or FICA taxes withheld from their pay. A corporation may delegate landowner preference to one shareholder. Only one person may be delegated landowner preference for each sole proprietorship, partnership or corporation. If the permit or license is valid for a portion of the hunting district only, the landowner must own the required acres within that portion. You may NOT apply for landowner preference for Deer or Elk permits if you are applying as a party member. Lessees do not qualify as landowners.

For Deer Permit: To qualify for landowner preference, you must own at least 160 acres of land in the hunting district for which you are applying. Your property must be primarily used for agriculture. Hunters who draw a special permit to hunt mule deer bucks may not hunt mule deer bucks anywhere else in Montana.

For Elk Permit: To qualify for landowner preference, you must own or be contracting to purchase at least 640 acres of contiguous land, used by elk in the hunting district for which you are applying. Unusual or infrequent sighting of a few elk is not sufficient qualification for landowner preference. Contiguous land is land that is not interrupted by adjacent private or state land.

Legal Description of qualifying land (Township, Range and Section): List below or attach legal description of deeded land. Applications without this information will be returned.
