

Elk Management Citizen Advisory Group | Agenda

Wednesday, May 25, 2022

8:00 – 12:00 pm MST

The purpose of the Elk Management Citizen Advisory Group is to forge new relationships among stakeholders and collaboratively develop new and creative ideas and recommendations for issues surrounding elk management in Montana to balance hunter and landowner interests.

Meeting Objectives

- Brainstorm strategies to strategically redistribute the elk and redistribute hunters, improve stakeholder relationships, address quality access to harvest, recognize and reduce disease, and improve data collection strategies
- Develop an understanding of the public perception of elk management in Montana
