**Acknowledge receipt of this addendum by inserting its number and date in the Proposal Form and on the Bid Envelope. Failure to do so may subject bidder to disqualification.**

This Addendum forms a part of the Contract Documents. Clarification and/or modifications area as follows:

### **CLARIFICATION FOR BID ITEM # 12 LUMP SUM ITEM FOR ELECTRICAL:**

Contractors are encouraged to contact Tongue River Electric Coop (Tresco) for the complete estimate as all electrical costs including materials, labor, and installation along with items noted on sheet 2 and note #2 of the electrical plans are to be included in the price of Bid Item #12. I have attached a partial estimate from Tresco to this addendum. The remaining amount on this estimate shall be included in the bid item.

- As noted on sheet #2, electrical note #2 in the plan set Tresco will provide and install new utility transformer, concrete pad for transformer and all primary connections and secondary connections up to the meter.

Re: WO 23077 Campers Front

To Whom It May Concern:

The projected Aid to Construction cost for this new service is \$13,638.45. You previously paid \$200 that has been subtracted from the amount owed. TRECO Policy is that we will pick up \$2,000.00 of the costs. The amount owed is \$11,438.45.

We will need this agreement for electrical service signed an electrical permit and your cost of construction returned to our office. At that time, this job will be scheduled for construction. If you need financial assistance, we will need 40% up front (\$4,575.38) and we could finance the balance of (\$6,863.07) at 7.5% interest for no more than 60 months. The payment would be included in the monthly utility bill.

Due to market volatility, we will need to reevaluate the prices if we do not receive your information and costs back within 30 days. If you have questions, please contact me or the engineering department at 406-784-2341.

Respectfully,

Gina Vineyard
