

Summer Motorized Trail Pass Grant Program

The Summer Motorized Trail Pass Grant Program (SMTP) is a new state program that provides funding for the development, renovation, and maintenance of motorized trails on public lands in Montana (23-2-113, MCA). The SMTP is administered by Montana Fish, Wildlife & Parks. The SMTP was authorized by the Montana Legislature in 2019. The program's funding comes from the sale of the Montana resident \$20 Summer OHV Trail Pass that is valid for two years.
