2023 MONTANA RESIDENT LANDOWNER SPONSORED DEER REQUIRED ADDITIONAL INFORMATION

Thank you for your interest in the Montana Resident Landowner-Sponsored Deer Program. We hope that you are successful in your draw and will be able to visit our fine state.

Once you have completed the online application process for your Landowner-Sponsored Deer application, you will need to submit additional information in order to complete this process.

Your Landowner Sponsor (LOS) mailed you a certificate with an original signature and LOS number on it. You must fill out this certificate and mail it to:

**MONTANA FISH, WILDLIFE & PARKS
LICENSING – LOS
PO BOX 200701
HELENA MT 59620**

**This information must be RECEIVED IN OUR OFFICE BY 5:00 PM MST ON
APRIL 1, 2023. Please allow adequate time for mailing. Montana FWP is NOT
responsible for delays caused by the US Postal Service.**

If we have not received it in our office by that date, you will not be eligible to receive the Landowner Sponsor designation in the drawing.

Please remember: All deer hunting must be conducted on your Landowner Sponsor's owned or deeded property. This includes your General Deer license as well as any Deer B licenses you have. Hunters who draw a special permit to hunt mule deer bucks may not hunt mule deer bucks anywhere else in Montana.

Not all hunting districts require a permit to hunt a mule deer buck. Please review the 2023 Deer, Elk, and Antelope Hunting Regulations for details.

If you choose to apply as a party, all members in the party must be applying for Landowner-Sponsored Deer Combination licenses, and each party member must have a signed certificate from the Sponsor.

Thank you for your application.
