Hi Dave,

I checked with Shawna about the timing for the Big Arm agenda item and cover sheet and since the Commission doesn't meet until October, we don't need to worry about it until next month.

They meet in a few weeks and then again in October. We put the original reminder on calendars since we were under the impression that they had a Sept. meeting.

Shawna, can you please add Big Arm Perpetual Easement (endorsement) to the FWP Commission agenda for October and include us in any Oct. meeting updates or pre-commission meetings that we need to attend? Also, when do we need to have the Big Arm cover sheet to you for the Oct. meeting?

Thanks,
Beth

I just had a calendar reminder that we need to have a F&W commission coversheet to shawna this week. Do know if this still needs to be done?

Thanks,
Dave
