Please keep the Madison River rules in place. The river has recovered nicely- over commercial use is a problem. Limiting public access to certain area would be beneficial.

Hello!

I am a Bozeman resident. I float and fish very frequently, and I support wade only sections as well as intermittent float-fishing closures. These are valuable tools to conserve precious resources.

Thank you!

Hello,

I am a tourist to Montana who totally does a few days of self guided fishing. If you repeal current Madison river walk wade rules I would be less likely to visit again.

Thanks,

Please do not repeal the walk-wade repeal of sections of the Madison River.

Thank you
