

**Amendment to 2022 Mountain Lion Quotas and Special Licenses  
Submitted by Commissioner Cebull**

*I move that the 2022 mountain lion season quota master list proposed by the department be amended to increase the overall quota from 24 to 25 in LMU 502, increase the number of special limited licenses from 1 to 2 and the male sub-quota from 5 to 6 in LMU 525, and include 1 special limited mountain lion license in addition to the quota of 5 mountain lions in LMU 580.*

LMU	Number of Special Licenses	Overall Quota	Male Sub-Quota	Female Sub-Quota
502	2	25		
525	2		6	9
580	1	5		3

**RATIONALE:**

*In all 3 cases, the proposed changes bring the overall quotas back in line with previous quota levels and increase opportunities for lion hunters in Region 5.*
