Good morning, commissioners,

This court-ordered special meeting will take place here at HQ in the Commission Rooms and will be facilitated by Chief Legal Counsel, Sarah Clerget, on the evening of December 13th at 6:00 p.m.

Dinner will be provided and there will be a Zoom link so that the public can observe. This training is not open to public comment so there will be no option for in-person public attendance, however the public will be able to tune in via Zoom and watch if they so choose.

Hotel reservations have been confirmed for you all and I will send your confirmation numbers as the time approaches. The December Regular Meeting will commence the following morning, December 14th, at 8:30 a.m. as originally planned. A calendar entry will follow shortly.

Please reach out with any questions or concerns.

Respectfully,

~E

Mike,

I hope you are doing well and had a great Thanksgiving.

As you well know, we have our season setting meeting next Thursday, 12/14. Please send me a R5 activity update at your convenience.

Please note my new state issued phone number below for Commission business.

Thank you,

Erik,

Please see my amendments for the season setting process so far. Please feel free to have the Department make edits to my rationale, and also make sure I am using the correct nomenclature for everything.

Thanks,

I have not had any correspondence related to the wolf issue other than what is in my FWP email. To the best of my recollection, most of that was Marc Cooke trying to setup a meeting with me.

Erik,

I do not have any correspondence since October 27, 2022, regarding the Gray Wolf ARM.

I just spoke with KC on the phone (he is travelling without his FWP email), and he confirmed to me that he also does not have any correspondence regarding the Gray Wolf ARM over that time period.

Please let me know if you need anything else.

Thanks,

Brian

Good afternoon, commissioners,

Legal is still looking for an answer from you both on whether or not you have any correspondence over the past year, since October 27, 2022, regarding the Gray Wolf ARM.

Respectfully request that you advise. The deadline for our response is approaching rapidly.

Thank you!
