Please comment on the Otter Creek LLS Islands.

I am strongly in in favor of purchasing this land for the public. The recreation and conservation value are too good to pass up. Opportunities like are becoming increasingly rare, and we can't let this one slip by. Please make this happen.

Please comment on the Otter Creek LLS Islands.

Dear Commissioners,

I would like to express my support for the Commission to approve the acquisition of the Otter Creek LLS Islands. The addition of these islands would provide more public access for fishing and hunting in an area that is lacking river access. Thanks for taking the time to read my comment.
