Hound Training Season

Second bullet should be amended:

- A resident that holds any valid General Mountain Lion License, Limited Special Mountain Lion License or an Unlimited Special Mountain Lion License may lawfully chase mountain lions with dogs in any valid lion management unit statewide December 2 - April 14. ~~Note: Nonresidents must have a nonresident hound license to use dogs.~~

Insert a new third bullet that states:

- *A nonresident that holds a Nonresident Hound License may lawfully chase mountain lions with dogs in any open lion management unit during the December 2 – April 14 hound training season statewide. Note: Nonresidents must hold a valid mountain lion hunting license to harvest a mountain lion.*
