47	6	690	Blacktail Breaks Ranch	718	3	14	LO selects public hunters no later than 3-weeks prior to agreement start	Archery; General Rifle	Either-sex	Either-sex	690-21	1	Unknown at time of application	Y	Y	Landowner attempted to submit prior to May 1 deadline, but applicant file size was rejected by state email system and the submission and was not on original June master list. Opportunity for public hunters will be best during archery season, but represents a good public opportunity- in particular to access adjacent public lands. Public hunter names for FWP selected public hunters will be taken from other 690-21 opportunities as August FWC meeting is post FWP online sign-up and the public needs access during archery season to comply with the required equivalent opportunity requirements.	1-R	Y	N	N/A	N/A
