

Bighorn Sheep Master List

January 13, 2020

Specific proposed changes for 2020-21 are listed below. All other season components except calendar year rotation are proposed unchanged from 2019.

BIGHORN SHEEP

Region 3

HD 301: Remove the 301-30 ewe license to close adult ewe harvest in HD 301.

HD 302: Remove the 302-30 ewe license to close adult ewe harvest in HD 302.

HD 380: Re-open HD 380 and add a new 380-10 ram license with a quota of 1 (range 1-2).

Region 4

HD 482: Modify bighorn sheep HD 482 by establishing the northern boundary as the Missouri River instead of the north bank of the Missouri River.

Region 6

HD 622: Extend the eastern boundary of HD 622 to run along the current border for the Deer/Elk HD 631.

Change the 622-30 ewe license to be valid in the entire HD instead of only valid west of Timber Creek and east of Reynolds Hill (Fourchette Bay) Rd.
