^aHarvest of adult bulls and cows (no calves) during the archery and general seasons combined must be a number ≥51% of recruitment for both bulls and cows.

^bHarvest during all seasons combined (archery, general and shoulder seasons) must be a combined harvest of bulls, cows **and calves** ≥100% of recruitment of all elk.

^cShoulder seasons in these hunting districts are not intended for population reduction but for redistributing elk. Harvest criteria do not apply.
