

BEFORE THE DEPARTMENT OF FISH, WILDLIFE AND PARKS
OF THE STATE OF MONTANA

In the matter of the adoption of an) NOTICE OF ADOPTION OF
emergency rule closing the Bjornberg) EMERGENCY RULE
Bridge Fishing Access Site in Phillips)
County)

TO: All Concerned Persons

1. The Department of Fish, Wildlife and Parks (department) has determined the following reasons justify the adoption of an emergency rule:

(a) The Milk River is experiencing significant to moderate flooding. The dangerous conditions include high water levels which have flooded the Bjornberg Bridge Fishing Access Site. The high waters are unpredictably eroding the riverbank causing the banks to become unstable and to slough into the fast-moving river flow.

(b) Persons recreating on the fishing access site are at risk of:

(i) unexpectedly being swept into the river; and

(ii) injury or drowning due to unexpected changes to topography obscured by flood waters.

(c) Therefore, as this situation constitutes an imminent peril to public health, safety, and welfare, and this threat cannot be averted or remedied by any other administrative act, the department adopts the following emergency rule. The emergency rule will be sent as a press release to newspapers throughout the state. Also, signs informing the public of the closure will be posted at access points. The rule will be sent to interested parties and published as an emergency rule in Issue No. 8 of the 2023 Montana Administrative Register.

2. The department will make reasonable accommodations for persons with disabilities who wish to participate in the rulemaking process and need an alternative accessible format of the notice. If you require an accommodation, contact the department no later than 5:00 p.m. on May 12, 2023, to advise us of the nature of the accommodation that you need. Please contact Regina Reynolds, Fish, Wildlife and Parks, 1420 East Sixth Avenue, P.O. Box 200701, Helena, MT 59620-0701; telephone (406) 444-9785; or e-mail regina.reynolds@mt.gov.

3. The emergency rule is effective April 13, 2023, when this rule notice is filed with the Secretary of State.

4. The text of the emergency rule provides as follows:

NEW RULE I BJORNBERG BRIDGE FISHING ACCESS SITE
EMERGENCY CLOSURE (1) The Bjornberg Bridge Fishing Access Site is located in Phillips County.

(2) The Bjornberg Bridge Fishing Access Site is closed to all public occupation and recreation as signed.

(3) This rule will expire as soon as the department determines the fishing access site is again safe for occupation and recreation. This will depend on the extent and duration of the flooding in the area. Signs closing the fishing access site will be removed when the rule is no longer effective.
