

Montana Land & Water Conservation Fund Pre-Application Project Proposal Form

Prospective LWCF Program applicants must complete and email this Pre-Application Project Proposal Form to the LWCF Program Manager before applying to the LWCF Program. The LWCF Program Manager will review your submission and contact you to conduct a 30-minute Pre-Application Meeting. During this meeting, the LWCF Program Manager will provide feedback about your proposed project and review important LWCF Program requirements with you.

Prospective applicants should review the LWCF Program Guidelines on the program website before completing this form: <http://stateparks.mt.gov/recreation/lwcf.html>

Complete all questions and email this form to Michelle McNamee, the LWCF Program Manager, at least two weeks before applying to the LWCF Program: michelle.mcnamee@mt.gov
