

Position Description

1715 Hour AmeriCorps Member

Location: Missouri Headwaters and Madison Buffalo Jump State Parks

Term of service: January 17, 2023 – November 17, 2023

Service schedule: Member will serve a minimum of 1,715 hours over a 44-week term, averaging 41 hours per week with 80 hours of “Time Not Scheduled to Serve” to be used as sick, vacation, or other personal leave.

Position Summary:

Missouri Headwaters State Park is a National Historic Landmark where the Jefferson, Madison and Gallatin Rivers come together to form the Missouri River. The confluence of these rivers is an important crossroads for many different peoples going back to very early nomadic hunter gathering cultures. The Lewis and Clark Expedition passed through here in 1805, on their journey out west and returned the following year. This area continued to play an important part in early Montana history, both during the fur trapping era and the early settler and gold rush days. The AmeriCorps member will play an important part in the preserving and telling of this significant story by implementing programs that improve park lands, expand our educational and interpretive programs, and enhance our community outreach. In addition to these duties the AmeriCorps member will coordinate and facilitate events out at our sister state park, Madison Buffalo Jump State Park.

Missouri Headwaters State Park is in the Gallatin Valley, which one of the fastest growing counties in the United States. Housing is a challenge at this site. The successful candidate at this site should be prepared to seek a creative solution for housing. Previous members have brought along their own RVs to live in on site or possibly be prepared to share housing with other AmeriCorps members serving at Lewis and Clark Caverns State Park or in Bozeman. Housing may be available in nearby towns of Whitehall or Townsend that may be more affordable but would make for a commute of 25 miles.
