

# Bannack State Park Ghost Walk 2022

Bannack Ghost Walk is hosted on October 21<sup>st</sup> and 22<sup>nd</sup> at Bannack State Park with shows starting at 7pm and 9pm each night. Guests are asked to be at the park Visitor Center 10 minutes before your ticketed time.

Tickets are limited to 100 for each show. Tickets are required and nonrefundable. Walks fill up quickly and sell out most years.

The Show is approximately 1 ½ hours long. Ticket holders will experience a guided walk with a narrator and light bearers through Bannack Ghost town stopping at 10 -12 stations where performers in costume will act out scenes from actual chilling and ghoulish events that took place in Bannack's past.

There will be loud, blank gunfire in several of the scenes. Dogs, small children, and people who may have issues with loud sudden noises are not recommended to attend this event.

The event is outdoors so dress for the weather. Personal lighting devices are discouraged.

The Park will be closed with the main gate locked from 5pm until 6:40 pm each night. If you arrive during this time frame, you will be asked to leave the park until the shows are ready to begin.
